

FAQ Grants Division

How can begin accessing the Grants Division's services?

- Visit www.boundtreegrants.com to complete and submit a Grants Need Assessment.

What are the fee-based services you provide?

- Grant Development/Writing
 - A flat fee of \$100 is assessed for developing a grant proposal.
 - Fees will be written into the grant application when possible.
 - Grant requests over \$2,000 will incur a 5% contingency fee based on the total grant award amount.
- Grant Review
 - There will be an hourly fee of \$75 per hour assessed for reviewing and rewriting a grant.
 - You will receive an estimate on how much the review and rewrite will cost before moving forward.

What if we are interested in specific equipment?

- We utilize the need assessments that you fill out to assess which opportunities you should apply for. The more we know about what equipment you need, the better.
- Private foundations and corporate giving opportunities are not as stringent on their application guidelines as federal and state agencies.

How can I check on my grants progress?

- Call or email the grants division. You can contact the Grants Administrator at any time to find out where you are in the grants process.

How do I know if I am registered for the FREE grants division alerts mailing list?

- Call or email the grants division. You can contact the Grants Administrator at any time to find out if you have registered to our mailing list.
- You should receive a grant alert within one week of submitting your need assessment.
